Fire . Department Answers Two Alarms Over Week End

The fire department answered two alls over the week end, the firs alarm being Saturday night about 3.30 from box 37, Third street and the Big Four railroad, which proved to be false. Sunday morning shortly before noon an alarm was turned in from box 41, Fifth and Sexton streets, where an automobile belonging to Jake Webber in that vicinity was on fire, and which was extinguished with a slight loss.

The run Saturday night was the nitial attempt for the new truck, and all divisions of the department made two record runs.

Sum of \$48,667.18 Paid in Taxes at Treasurer's Office Saturday

A record for the spring installment of tax collections was established Saturday when a total of \$48,667.18 was paid at the county treasurer's office, making the total collections up to this morning \$464,-156.55. It is estimated that \$550,000 was due on the spring installment, which means that approximately \$86,000 had to be collected today if some taxpayers did not go delinquent.

Deputies in the office were busy all day Saturday and Saturday night. and the rush started early this morning and continued all day. The office will be open today to give all taxpayers an opportunity to pay before the close of the period.

Thieves Make Small Hauls at A. G. Haydon's and John Kelley's Sunday Afternoon

THEFTS DISCOVERED AT 8 P. M.

Merchandise Valued at \$40 Taken From Hardware Store Which Was Recently Robbed

Two Rushville business houses, the A. G. Haydon's hardware store and John Kelley's grocery store, located a few doors apart in North Main street, were entered by robbers early Sunday evening or some time during the afternoon. No clue to the robbery was left.

The loss at the hardware store was the largest, in which it was reported that approximately \$40 in merchandise was taken, while at the grocery store only cash was taken, which amounted to \$5.20, that was left in the drawer as change.

The two places were discovered about 8 o'clock Sunday night by Merchant Patrolman Denny, who noticed a side door on the Kelly store unlocked, and also a rear door at the Haydon store, and an investigation led to the discovery that the places had been entered.

The robbers gained an entrance to the hardware store by a door on the second floor, which leads from a flight of stairs, and entrance to the store was made down the elevator The first event on the program from the second store. HUDSON-ESSEX

Factory At Capacity Production

Production of Hudson and Essex ears for the first quarter of 1922 was 182 per cent greater than that for same period last year, according to information just received from Detroit by Charley Caldwell. Despite this huge business increase, the companies find it impossible to keep up with orders.

Shortage of Hudson and Essex cars exist in almost every part of the country. At the end of April, the companies had been unable to fill nearly a fifth of their April orders, Mr. Caldwell says. "Furthermore, they have been forced to curtail the demands of nearly every one of their 64 distributors for additional cars. DIES WHILE ON A VISIT Export shipments for January, February and March exceeded all the vear of 1921.

"Both companies were at capacity production throughout April. Diffi culty in obtaining car bodies and in-Mrs. W. A. Lord of Mays, died ability to manufacture more motors were the reasons that kept that month from setting up the greatest shipment figure in Hudson-Essex history.

"The slogan that '1922 will be the record Hudson-Essex year' is almost certain to be fulfilled. Before June 15 the total 1921 output will have been exceeded and orders already received mean that maximum production will be continued well through the year."

To the Republican Voters of Rush County:

The undersigned are both candidates for renomination for the office of County Commissioner. We are now serving our first term.

It has been the party custom as far back as the memory of our oldest voters go to renominate our Commissioners for a second term. The office of Commissioner is one of great importance and the business connected therewith requires time and experience in order to become familiar with its duties.

We know of no reason why the long custom of the party should at this time be abandoned, and we respectfully ask the voters at the primary on next Tuesday, May 2nd, to give our candidacy for renomination favorable consideration.

I desire to call your attention to the importance of every Republican voter casting his or her vote at the Primary Election to be held on Tuesday, May 2, in order that the choice of the majority of the Republican voters, of the various candidates for the nomination for the different offices, may be selected for the Republican Ticket this Fall.

BIG COMEDY IN

Greensburg Eagles Hit the Ball to All Corners of the Lot, Swamping Tail Lights 21 to 4

LOCALS USE THREE HURLERS

Visitors Collected 20 Hits Which Combined With Rushville's 10 Errors Gave Them a Victory

The Tail Lights suffered a ter-471 rible walloping here Sunday afternoon at the hands of the Greens 429 burg Eagles, in the second contest of the Southern Indiana League, the .267 final count being 21 to 4, in a game which developed into a farce as it went along, with Greensburg scoring almost at will, and hitting three pitchers to all corners of the lot. Schulte started on the mound for Rushville but soon was called in, al though many errors behind him was responsible for several runs, and then Huddleson tried his hand on the mound but was soon replaced by Boyls, who finished the game, but was hit freely.

The Eagles sure had a big day of it, and while putting across the 21 tallies, counted up 20 hit s, and had only a lone error. Rushville on the other hand managed to get eight hits, with the four runs, and chalked up ten big errors. The great trouble with the local crew seemed to be in hitting the ball when needed, and unless there are some radical changes made at once, the patronage will soon take a big drop.

The team, which had been press agented as a pennant contender, turned out to a be a big fizzle, and since the league association allows an expenditure of \$150 for a team, it would be a good suggestion that the management spend a little money and hire some first rate fielders,

An eight-car steel train goes crashing through a trestle in one of the scenes in "Love Never Dies," the King Vidor production, distributed by Associated First National Pictures, Inc., that is scheduled for showing at the Princess today and

For this scene it was necessary to purchase standard cars and engine to make up the train. The train is seen pushing ahead in a blinding rainstorm. Storm water has weakened the trestle supports and as the train hits the bridge the supports collapse and the train, with the exception of two cars, falls into the

All this occurs in a few seconds; but it cost a small fortune to stage it. The trestle which was on an important rail line, had to be rebuilt. The debris in the stream had to be cleared to prevent blocking of storm

Seven cameras were on the job to make certain the disaster registered. This was a scene where there could be no retakes. If any mishap occured it meant a loss of thousands of dollars. It is declared to be the most successful wreck ever seen in pictures.

WHEEL PASSES OVER LEG

Charles Ryse, age six years, son of Mr. and Mrs. Walter Ryse, living a short distance northeast of Rushville, was run over by an automobile driven by Mayor Walter Thomas Saturday afternoon, but was not seriously hurt.

The accident happened in front of the Wiltse Five and Ten Cent store. Mayor Thomas saw the boy the Christian church and had parted looking up and down the street and which the prosecuting witness claimat the door of the Kennedy home did not expect him to cross until the machine had passed, but suddenly he darted directly in the path of the automobile and was knocked down. The front wheel passed over one of the boy's legs just below the hip and was then brought to a stop by Mayor Thomas. Before anyone could get out of the automobile, the youngster jumped up and started running away. Dr. Frank H. Green, who was in the machine with the mayor, went after the boy and picked him up. He protested being hand, the gun containing three walk, Dr. Green permitted him to walk to the hospital where he was given a thorough examination and then taken home. Several Cases Are Dismissed on Agree That Voters Who Seek to Participate in Opposite Party's Affairs Will be Challenged

REPUBLICANS ARE NAMED

Democratic Committee Fails to Cer-, tify Names of Members of Precinct Election Boards.

Precinct election inspectors have obtained the election supplies, from the clerk's office in the court house and all preparations are complete for the vote in the primary Tuesday.

The inspectors, all of whom are republicans as provided by the state election law, which says they shall be of the party casting the highest OBSERVANCE IN THE be of the party casting the highest agreement among themselves to see that the primary law is strictly enforced with reference to voting at the primary.

true purpose of the primary law be carried out—that the republican nominate the republican ticket and the democrats nominate their own ticket. It was stated by one precinct inspector this morning that the inspectors had agreed to challenge every democrat who calls for a republican ballot. In case of a challenge, the voter has to make affidavit that he is affiliated with the party for whose candidates he proposes to vote; that he voted at the last general election for that party and that he intends to support and vote for the nominees of this party at the coming election.

The law provides that the party easting the largest vote at the last election shall appoint the inspectors and one judge, sheriff and clerk, and that the second party shall appoint a judge, sheriff and clerk. The appointments are to be certified to the county election commissioners five before the election by the county chairman. The republican officials have been certified, but today no precinct officers had been appointed by the democrats so far as the election commissioners knew, as they had no record of any.

The republicans who have been appointed are as follows:

Ripley, precinct 1-James Terhune, inspector; A. O. Hill, judge; Harry Nelson, sheriff; Mrs. Harry Nelson, clerk. Continued on Page Three

Thieves Make Small Hauls at A. G. Haydon's and John Kelley's Sunday Afternoon

THEFTS DISCOVERED AT 8 P. M.

Merchandise Valued at \$40 Taken From Hardware Store Which Was Recently Robbed

Two Rushville business houses, the A. G. Haydon's hardware store and John Kelley's grocery store, located a few doors apart in North Main street, were entered by robbers early Sunday evening or some time during the afternoon. No clue to the robbery

The loss at the hardware store was the largest, in which it was reported that approximately \$40 in merchandise was taken, while at the grocery store only cash was taken, which amounted to \$5.20, that was left in the drawer as change.

The two places were discovered about 8 o'clock Sunday night by Merchant Patrolman Denny, who noticed a side door on the Kelly store unlocked, and also a rear door at the Haydon store, and an investigation led to the discovery that the places had been entered.

The robbers gained an entrance to the hardware store by a door on the second floor, which leads from a flight of stairs, and entrance to the store was made down the elevator from the second store. The merchanwas "setting up" exercises on the dise which was stolen, as far as can ne determined, consisted of baseball accessories, including a valuable catcher's mitt, other mitts and gloves, masks, baseballs and a pocket knife. The robbers escaped by unlocking the rear door leading out into the alley.

Two weeks ago the store was entered in the same manner, and this was not discovered until today, and at that time the robbers used the elevator in the store for reaching the Twenty boys taking the course first floor and also for making their exit. At that time they escaped with \$5 in change and five valuable rethe same night that the Sam Finney Thursday will be Boys Day in the store was robbed of revolvers and

COMMISSIONERS NOT TO INSURE BRIDGES

County Board Decides Today Not to Carry Policies in Future-Contracts For Repairs.

CONSTABLES ARE APPOINTED

The county commissioners decided at their regular monthly meeting today that in the future no insurance would be carried on county bridges. In the past all of the bridges on county roads have been insured against damage by wind or lightning, but in keeping with the policy of the money by not insuring them.

The commissioners were to open of the Coleman bridge, northeast of Rushville, the top of which was blown off a few weeks ago, and the Forbes bridge in Ripley township.

The commissioners allowed the usual claims and appointed the following constables on the recommendation of the Rush County Horse

HUDSON-ESSEX

Factory At Capacity Production

Production of Hudson and Essex cars for the first quarter of 1922. was 182 per cent greater than that for same period last year, according to information just received from Detroit by Charley Caldwell. Despite this huge business increase, the companies find it impossible to keep up with orders.

Shortage of Hadson and Essex ars exist in almost every part of the country. At the end of April, the companies had been unable to fill nearly a fifth of their April orders, Mr. Caldwell says. "Furthermore, they have been forced to curtail the demands of nearly every one of their 64 distributors for additional cars. Export shipments for January, February and March exceeded all the rear of 1921.

"Both companies were at capacity production throughout April. Diffieulty in obtaining car bodies and in-Mrs. W. A. To the Republican Voters of Rush County:

The undersigned are both candidates for renomination for the office of County Commissioner. We are now serving our first term.

It has been the party custom as far back as the memory of our oldest voters go to renominate our Commissioners for a second term. The office of Commissioner is one of great importance and the business connected therewith requires time and experience in order to become familiar with its duties.

We know of no reason why the long custom of the party should at this time be abandoned, and we respectfully ask the voters at the primary on next Tuesday, May 2nd, to give our candidacy for renomination favorable consideration.

To The Republican Voters of Rush County:

I desire to call your attention to the importance of every Republican voter casting his or her vote at the Primary Election to be held on Tuesday, May 2, in order that the choice of the majority of the Republican voters, of the various candidates for the nomination for the different offices, may be selected for the Republican Ticket this Fall.

BIG COMEDY IN

Greensburg Eagles Hit the Ball to All Corners of the Lot, Swamping Tail Lights 21 to 4

LOCALS USE THREE HURLERS

Visitors Collected 20 Hits Which Combined With Rushville's 10; Errors Gave Them a Victory

The Tail Lights suffered a ter rible walloping here Sunday afternoon at the hands of the Greensburg Eagles, in the second contest of the Southern Indiana League, the final count being 21 to 4, in a game which developed into a farce as it went along, with Greensburg scoring almost at will, and hitting three pitchers to all corners of the lot. Schulte started on the mound for Rushville but soon was called in, although many errors behind him was responsible for several runs, and then Huddleson tried his hand on the mound but was soon replaced by Boyls, who finished the game, but was hit freely.

The Eagles sure had a big day of it, and while putting across the 21 tallies, counted up 20 hit s, and had only a lone error. Rushville on the other hand managed to get eight hits, with the four runs, and chalked up ten hig errors. The great trouble with the local crew seemed to be in hitting the ball when needed, and there are some radical unless changes made at once, the patronage will soon take a big drop.

The team, which had been press agented as a pennant contender, turned out to a be a big fizzle, and since the league association allows an expenditure of \$150 for a team, it would be a good suggestion that the management spend a little money and hire some first rate fielders, hitters and all around ball players. The game, play by play, is as fol-

Film Shows a Train Wreck.

An eight-car steel train, goes crashing through a trestle in one of the scenes in "Love Never Dies," the King Vidor production, distributed by Associated First National Pictures, Inc., that is scheduled for showing at the Princess today and Tuesday.

For this scene it was necessary to purchase standard cars and engine rainstorm. Storm water has weakened the trestle supports and as th train hits the bridge the supports collapse and the train, with the exception of two cars, falls into the stream.

All this occurs in a few seconds; but it cost a small fortune to stage it. The trestle which was on an important rail line, had to be rebuilt. The debris in the stream had to be cleared to prevent blocking of storm waters.

Seven cameras were on the job to make certain the disaster registered. This was a scene where there could be no retakes. If any mishap occured it meant a loss of thousands of dollars. It is declared to be the most successful wreck ever scen in pictures.

At the Mystic Two Days.

"Two kinds of Women," in which Pauline Frederick, famous R-C star appears in the stellar role at the Mysic, today and Tuesday, is one of the fastest-moving stories ever written by that noted author of Western yarns, Jackson Gregory.

The story was published under the name of "Judith of Blue Lake Ranch," but underwent a change of title for the benefit of motion picture audiences. Incidentally, it is one of the greatest vehicles in which Miss Frederick has ever appeared and shows the star at her absolute best.

Judith, which role is played by Miss Frederick, is part owner of a great cattle ranch in the West and one day,,in her fashionable New York home, she comes to the realization

17 Million Jars Used Yearly Judith hustles out West, suddenly how Judith with the help of a mys- ure,
